

East Poplarville Veterinary Clinic, P.A

Puppy Wellness Plan

Name: _____ Exp Date: _____

Selected:

Monthly

Paid in Full

We believe that preventative care will keep your pets healthier longer, adding year's to your pet's life and keeping you both happier. Start your puppy off right with one of the following wellness plans. This chart can help you decide which plan is best for you and your pet. Remember, dogs age 6-10 years for each one of our human years.

If you purchase within 30 days of your previous visit, and that visit's costs can be applied to your chosen plan where applicable.
